

Biometric installation guide

1. Go to following link for employee registration. Employee and Administrator's details has to be registered under this option. Select "JIDS" / " CFC" for office location. 8 digit registration no. will generate for each employee.

<http://njbhwh.attendance.gov.in/register/myemp>

2. Login as administrator with id and password. NJB will provide administrator ID and Password. **Remember don't change the password and any data which is already entered and related to NJB. For ID and password please send a request mail to NJB.**
3. Go to "Manage Masters" --->"Device location" for new device entry. Type your Office name and save.
4. Go to "Manage device"---> "Biometric Admin" for creation of administrator of your office. Create new administrator and give data of administrator.
5. Go to "Manage device"--->"Activation code". Select "JIDS" / " CFC" and give admin ID / registration code of administrator. Now generate "Activation code". A 6 digit code will display and the same will go to Administrator's mail and phone. **Caution : Don,t select any other device name which is related to NJB.**
6. Now give the internet connection to Biometric device. **BAS attendance system APP** has to present in that device.
7. The app will search for domain. Select "**Central Government**" domain. Now give the authentication code. Check the internet speed and connection if searching runs for long time.
8. Now it will ask for administrator's finger print. If everything is correct then photo of administrator will display and your machine is ready to work.
9. For attendance give the code (last 8 digits nos. of Aadhar no.) which was generated and keep any finger on scanner. A photo will display, if the finger image recognize the image of Aadhar card.
