**71, Park Street, Kolkata 700 016**

**NIT No. 6 / NJB/JGT/TENDER/01**

**Secretary, National Jute Board, Kolkata, India** invites sealed offers from reputed organizations having proven experience in making models showing **Application of Jute Geotextiles (JGT) in a) Road construction, b) River bank protection. C) Slope stabilization and d) Control of railway track settlement.**

The models will be made using the following materials –

- a) JGT – Live sample of JGT ( to be supplied by NJB )
- b) Base – Medium density fibre board
- c) Main structure – Compressed polyvinyl / Acrylic foam board
- d) Vegetation – Polyurethane foam
- e) Cover – Acrylic sheet.

Four such models will consist one set. NJB needs two such sets and each set should be packed in light weight trolley bag.

Photographs of the models having dimension of 25 cm x 32cm x 25 cm ( Height x Length X Breadth ) are available at the websites : [www.jute.com](http://www.jute.com) and [www.jutegeotech.com](http://www.jutegeotech.com) and under the link Tender Notice. Sample models can be seen at JGT Cell of NJB at the above address. The last date of receipt of offer is **26<sup>th</sup> February, 2021 upto 14-00 hrs.**
